

CERTIFICATE OF ULTIMATE CAPTAIN

Gulshan Tyagi

Gulshan has not just been a pillar for SEO team for many years, but he has shown tremendous grit and determination when things have not been going well for last few months. He has been channeling the team in the right direction and personally taking care of all minute details to help UL from SEO and paid marketing perspective.

His passion, drive, and commitment to achieving outstanding results have inspired the entire team. Kudos to this effort and we look forward to a new and renewed focus on qualified traffic.
